

In light of the Government's advice regarding the Coronavirus outbreak, we wish to reassure you that as a firm we remain fully operational and open for business. However, the way we in which we will provide our service will temporarily need to change in order to protect our clients, staff and the wider population.

Until further notice, our offices at 15 Hyde Gardens will close to our clients and the public. However, all of our team will be working from home or remotely with full access to our IT system and client files. Our incoming post will continue to be monitored. There will be no disruption to our service as a result of this change.

All face to face client meetings will be suspended until further notice, however we are able to conduct meetings via telephone or video call.

Our office telephone line of 01323 722288 will remain in operation and messages will be monitored periodically. Alternatively, please do not hesitate to contact our Directors, Steven Holt on 07758 232797 or Carolyn Stoneham on 07827 317343 to discuss any new or existing matters. You can also contact us via email at steve@sussexlegalconsultants.co.uk or carolyn@sussexlegalconsultants.co.uk

From all of us at Sussex Legal Consultants, we send our very best wishes to you during these unprecedented times.
